

ROADSIDE CLEAN UP - Happy 30th Anniversary

This year marks the anniversary of the 30th Annual Roadside Cleanup, initiated in 1988. Under the expert leadership of Blaine Hummel, his able assistant, Lois Wozniak, and the Environmental Commission secretaries throughout the years, this service project for East Amwell Township has been a staple of the Township's commitment to protect the environment of our rural community.

As we get ready to celebrate this 30th anniversary, we've taken the opportunity to post the 29 years of annual reports on "collectibles" along with the lists of our volunteers. You will find this on the Environmental Commission webpage. We hope you enjoy the history! A special thanks to Blaine for the compilation with commentary ... always an enjoyable read!

AND GET READY FOR THE NEXT ROADSIDE CLEAN UP ON APRIL 22, RAIN OR SHINE!
