NEW BUSINESS

ANNOUNCEMENTS

- Deer Management Symposium
- The New Jersey Conservation Foundation (NJCF) is working to preserve two properties in East Amwell. As part of this effort, they are applying to Hunterdon County for a grant from the County Open Space Trust Fund. The County Open Space Advisory Committee is meeting to discuss this grant application at 7pm on January 16 at the County Complex on Rt. 12. East Amwell has found success with these grants by having residents attend the Committee meetings. We are urging all interested residents to attend the January 16 meeting. The properties in question are adjacent to the Higgins Preserve, the largest being at the corner of North Hill and Wertsville Roads. I have attached my memo to the Township Committee asking for the Township to support this application, in case anyone needs more information. If there are any questions about this preservation effort or the County Meeting next Tuesday,

CORRESPONDENCE

- Sourland Conservancy would like email addresses for committee members
