

EAST AMWELL TOWNSHIP SCHOOL AND THE LANDFILLS NEED YOUR HELP!

Our school works with Terracycle to prevent these items from hitting the landfill and in turn earn funding to aid environmental enhancements within the school grounds and garden!

If you think you do not use any items that can be Terracycled...think again!.. If you wash your hair and body, brush your teeth, wear make-up, eat cereal/cereal bars/chips, use tape or a printer and many more...**YES you do!!**

Below is a list of all the items we take for this program. Please note the items are based on the program streams we are signed up for with Terracycle, NOT the type of item it is. i.e. If it's a cookie bag that seems the same as a chip bag it doesn't mean we can Terracycle it. This list changes frequently so please check in with the depot each month for the latest copy. Contributions to the school have to be sorted into separate containers and then boxed for shipment. It would help the kids tremendously if the depot contributions come to them pre-sorted/separated in bags as listed below. You can also separate your items into the blue buckets at the Depot:

<u>Personal Care Products</u>	<u>Cleaning Products LIDS ONLY (not the containers)</u>
Shampoo and conditioner bottles	Laundry Detergent Lids
Hairspray bottles (non-aerosol only)	Any cleaning product spray gun lid with the tube
Hair gel/detangler bottles/tubes	Pump dispenser lids and tubes
Face/body wash bottles/containers	
Face/body lotion bottles/containers	<u>Tape Dispensers (all brands)</u>
Hand soap dispenser bottles	Any plastic tape dispensers (Scotch etc)
Suntan lotion bottles	
	<u>Electronics (working or broken- NOT the cables/adapters)</u>
<u>Beauty Products (empty or full)</u>	Cell phones
Lipsticks, lip gloss, lip balm	Digital cameras/camcorders
Eyeliners/lip liner pencils	iPads/iPods/tablets/Kindles/E-readers
Mascara tubes	Graphing calculators
Eye shadow containers	
Foundation/concealer/bronzer containers or tubes	<u>Printer Cartridges</u>
Nail polish/remover bottles	Ink or Toner cartridges (any brand)
<u>Oral Care/Deodorant</u>	<u>Foil Lined Drink/Food Pouches (Please rinse out!!)</u>
Toothpaste tubes/containers <u>and</u> cardboard packaging	Drink pouches (Capri-Sun, Honest Kids etc)
Toothbrushes <u>and</u> packaging	Squeezable baby/child food pouches (Go-Go Squeeze etc)
Floss containers	
Mouthwash containers	<u>Foil and Non- Foil Lined Wrappers</u>
Deodorant containers	Energy bar wrappers
	Granola bar wrappers
<u>Chip Bags (any brand - please empty out crumbs!)</u>	
Chip bags (Doritos, Cheetos, Sun Chips etc)	Little Bites wrappers
Popcorn bags	
Pretzel bags	<u>Cereal Bag Inserts (please empty out crumbs!)</u>
	Any white/opaque cereal bags inside the boxes
	Malt-o-Meal bags

CONFUSED?...

It can be confusing what we do and do not take for Terracycling and it changes often. Each school participates with different product streams so we do not take everything listed on the Terracycling website – only what is listed on the previous page. It takes a lot of man power (both at the depot and the children in school) to sift through the good intentions of everyone if we receive a mixture of what we do and do not take.

Below is a list of items that are often sent in as Terracycling but unfortunately our school does not take at this time (even if they did previously). If these items are not considered recycling then they are trash..

- **Writing instruments:** until recently we took these but now we do not
- **Solo Cups:** until recently we took these but now we do not
- **Baby wipes packages:** we used to take these but now we do not
- **Candy/gum wrappers:** similar to granola/energy bar wrappers but we do not take them
- **Cookie bags/wrappers:** can seem so similar to chip bags but we do not take them
- **Fruit Snacks bags**
- **Cheese wrappers**
- **Frozen food bags**
- **Coffee bags**
- **Animal food bags/packaging**
- **Ziploc bags**
- **Diet/Weight loss/Crystal Light powder packets**
- **Glue Sticks and White Out pens**
- **Any medicine/pill containers/wrappers**

On behalf of the Recycling Committee and East Amwell School we thank you for your help!!

Any Questions please feel free to email Alison Castellano: Alison_wright@hotmail.com
