

## November 2017 Road Report

- 11/1 Patched pot holes on various Township roads.
- 11/2 Excavated for additional inlet on Dutch Lane. Installed the form and poured the inlet floor.
- 11/3 Built the inlet and installed the top. Mowed the grass as needed at Clawson Park, the Safe House, Baseball Fields, and around the Office Building. Back filled the new inlet on Dutch Lane with clean stone.
- 11/6 Paved around the new inlet on Dutch Lane. Patched a large hole on Rynearson Road near the Dunkard Church Road intersection. Spruced up the area around the outside of the Municipal building and set up for the election.
- 11/7 Election Day. Patched pot holes throughout the Township. Continued road side mowing on Lindbergh Road.
- 11/8 Cleaned up the office from the election. Put the tables and chairs away and restored the court room. Trimmed brush on Rainbow Hill Road. Installed snow plow makers throughout the Township.
- 11/9 Trimmed brush on Welisewitz Road. Picked up leaves on Garboski and Bowne Station Roads.
- 11/10 Holiday.
- 11/13 Received stone deliveries at the Grit Yard. Cleaned the inlets and pipes during the morning rain. Checked for possible icy conditions in the Mountain area of the Township.
- 11/14 Trimmed brush back on Larsen and Lindbergh Roads. Blew leaves off of Wagner Road. Had a break down with the blower, then on the way back to the garage the tractor stopped running. Towed the tractor back to the shop and made repairs. Took the blower apart and found a broken chain. Met with the fire alarm company to have a relay installed on the fire doors at the front counter in the Municipal office.
- 11/15 Trimmed brush back on Linvale Road. Cleaned the leaves from the inlets and pipes.
- 11/16 Continued trimming brush back on Runyon Mill and Saddle Shop Roads. Cut the grass at Clawson Park and around the office building for the last time this year.
- 11/17 Trimmed brush back on Orchard and Runyon Mill Roads.
- 11/20 Performed a road check after the heavy winds on Sunday and Sunday night. Picked up all of the fallen debris. Blew leaves off of Runyon Mill Road.
- 11/21 Replaced the battery and leaking fuel line in the chipper. Also, replaced the cracked electrical plug on the chipper. Performed a complete service on the chipper. Cleaned up the leaves in front of the office building. Power washed all of the lawn mowers to be put in storage for the winter. Blew leaves from the ditches on Stony Brook and Mountain Roads.
- 11/22 Replaced the hydraulic fittings on truck #5. Installed baffles on truck #5. Repaired the faucet in the men's room. Order parts to repair the pole saw.
- 11/23 Holiday
- 11/24 Holiday
- 11/27 Began work on the parking lot at the Cider Mill Preserve.

- 11/28 Finished the parking lot at the Cider Mill Preserve.

- 11/29 Welded the cracked spreader mounts on truck #7. Reinstalled the spreader on truck #7. Filled pot holes on Frontage Road. Disassembled and charged the batteries on the road grader (wouldn't start).
- 11/30 Blew leaves from the ditches on Rocktown and Mountain Roads. Graded the dirt section of Rocktown Road. Installed the two new historical signs out near Lindbergh Road. Replaced the historical sign at the Ringoes Tavern. Straightened the historical sign at the point near Boss Road. Brought the grader into the shop to test the batteries and found it to have dead cells. Called for pricing on replacement batteries.
