Others present: Hydrogen House Project

NEW BUSINESS

History of Hydrogen Power

Representatives from the Hydrogen House Project gave a presentation on hydrogen power, especially in relation to vehicles. Anything that can be done with fossil fuels can be done with hydrogen. They explained the benefits of hydrogen power and fuel cells in comparison to traditional electric power and batteries. Their system enables the storing of solar energy. Hydrogen is the best renewable energy option for trucks and public transportation. Any organic mater can be converted into hydrogen. See www.hydrogenhouseproject.org for more information.
