

East Amwell Flag Quest

East Amwell Township is considered a “Small Town USA” agricultural community. With that, comes a great sense of pride for our Country.

We ask you to join us on a quest to show our pride by placing a flag on every house and business throughout the township. We are hoping to show our pride by Memorial Day weekend and keep it going until Veteran's Day.

The Ringoes Village Advisory Committee with the help and generosity of the Ringoes Grange, has flags available to East Amwell residents at the township building. Flags are limited and will be handed out on a first come, first serve basis. Help can be provided to Seniors who are unable to install their flag.

If you or someone in your household has served in the Armed Forces, please feel free to fly your branch of service flag as well. We are proud of our hometown heroes.

For information on the American Flag and how to display it correctly, please go to www.USA.gov/flag
