

EAST AMWELL TOWNSHIP RECYCLING COMMITTEE

DID YOU KNOW THAT THE MAJORITY OF PLASTIC AND METAL BOTTLE CAPS/LIDS ARE DISCARDED INTO THE TRASH AT THE RECYCLING FACILITIES?? DUE TO THEIR SMALL SIZE THEY FALL THROUGH THE SPACES BETWEEN THE CONVEYOR BELTS AND CAN CAUSE MECHANICAL ISSUES

HOWEVER THERE IS A WAY TO RECYCLE THEM!

TERRACYCLE ZERO WASTE BOX!

PLEASE COLLECT YOUR PLASTIC AND METAL BOTTLE LIDS/CAPS SEPARATE FROM YOUR REGULAR RECYCLING AND BRING TO THE RECYCLING DEPOT TO DEPOSIT IN OUR ZERO WASTE BOX!
